

MASQUELIER'S[®] Tru-OPCs

We have the human
body covered in health.

**MASQUELIER'S Tru-OPCs
represents a significant
discovery in human health!**

- Protects and strengthens the vascular system, including capillaries and micro-capillaries; improves circulatory efficiency
- Strengthens collagen elasticity and resiliency; supports collagen synthesis; protects against age-related processes
- Superior antioxidant with greater free radical scavenging capacity than vitamins C and E*

*Backed by
60 years
of science.*
